

Super Spike 38mm

Cat. No. SSP/G38

The Hunza Super Spike 38mm is a multi purpose ground spike which adds significant stability when used. It is designed for use with Hunza luminaires that have a 38mm diameter pole. It is constructed from UV black polycarbonate.

The Hunza Mini Spike is a 150mm (6") reduced height version of the Super Spike, designed for use in firmer ground where the extra length is not required.
